### **FOR IMMEDIATE RELEASE**

### **OMAHA SOLID WASTE COLLECTION DELAYS**

February 20, 2026 Omaha, NE -- The Public Works Department, Environmental Quality Division, announces that Solid Waste collections for garbage and recycling will be suspended on Friday, February 20, 2026 due to the landfill closure, inclement weather, and safety concerns. Friday's area and any known areas missed from Thursday's area will be collected on Saturday. Residents are asked to make sure that carts are set out by 6 AM on the rescheduled day of collection and to clear the snow from around them to ensure collection. Residents also are advised to look towards the local news media for any updates.

Missed collections may be reported to the Solid Waste Hotline at 402-444-5238 after 7:00PM on the rescheduled collection day.

Citizens may sign up for notifications in two ways—

- e-mail notification of impending solid waste collection holidays or service delays related to weather by going to [join.wasteline.org](http://join.wasteline.org).
- The new solid waste app "Wasteline Omaha" available in the Apple App Store and Google Play.

Announcements will also be made on [www.wasteline.org](http://www.wasteline.org), Facebook, X (formerly Twitter), and Nextdoor.
